MRS. GREATOR'S AWFUL EXPERIENCE

During Change of Life—How
Lydia E. Pinkham's Vege-
table Compound Made
Her a Well Woman.

Natick, Mass.—"I cannot express
what I went through during the change
of life before I tried
Lydia E. Pinkham's Vege-
table Compound. I was in such
a nervous condition
I could not keep still.
My limbs were cold,
I had creepy sensa-
tions, and I could not
sleep nights. I was
finally told by two
physicians that I also
had a tumor. I read

one day of the wonderful cures made by
Lydia E. Pinkham's Vegetable Com-
pound and decided to try it, and it has
made me a well woman. My neighbors
and friends declare it has worked a mir-
acle for me. Lydia E. Pinkham's Vege-
table Compound is worth its weight in
gold for women during this period of life.
If it will help others you may publish my
letter."—Mrs. MARION SWEET GRE-
ATOR, No. 1 Jefferson St., Natick, Mass.

Change of Life is one of the most
critical periods of a woman's existence.
Women everywhere should remember
that there is no other remedy known to
so successfully carry women through
this trying period as Lydia E. Pinkham's
Vegetable Compound.

If you want special advice write to
Lydia E. Pinkham Medicine Co. (confi-
dential) Lynn, Mass. Your letter will
be opened, read and answered by a
woman and held in strict confidence.

R. ARBUCKLE, FAT AND FUNNY, ON ROAD TO FAME

Roscoe Arbuckle, with the Ferris
Hartman Opera company which is
playing its farewell engagement at the
Hawaiian Opera house says his con-
nection with the stage came quite by
accident. He never dreamt of such
thing as a career behind the footlights
in his youthful days—but there he is,
in his early twenties and far on his
road to fame as a comedian.

Just to see Arbuckle is to laugh.
"Why are you so funny?" he was
asked the other day.

"I don't know," he replied, "I guess
it is because I just can't help it. I
feel that way, and then nobody takes
me seriously. It's blamed peculiar but
everybody wants to kid me and laugh
at me. People won't even talk to me
seriously. Whenever they see me com-
ing they commence to grin. Why do
you know, he continued growing ear-
nest, the only person who 'takes me
seriously' is my wife and the only time
she does is when I have a cold. The
reason for that is because the doctor
told her if I ever had pneumonia I'd
die sure."

It's almost unbelievable fact that
when Roscoe came into this world he
weighed just four pounds! Now he
tips the scales a little better than
236. When Roscoe was a lad he con-
tracted consumption. He went down
to Texas where he rode the range for
several years and cured himself—and
then he commenced putting on flesh.

While riding over the dreary plains
in search of mavericks, from sheer
loneliness he used to sing to the blue
sky hour after hour. In this peculiar
manner he cultivated a good singing
voice, and when he grew too fat for
saddle he thought he would go on the
stage. After a few seasons with small
companies, Ferris Hartman "found"

him. Arbuckle was making up for the role
of the Queen Fairy in "Fairy Tales"
when the writer called at his dressing
room. He was in a heated discussion
with a friend over a broken chair.

"When are you going to kick
through with the money to pay for
that chair you of mine you broke,"
asked the friend.

"Papa you nothing," answered Ar-
buckle, "Why don't you have furniture
strong enough for a little fellow like
myself when you invite a friend out
to your house?"

Arbuckle will appear as "Slats" in
"The Campus" tonight and also
as a Spanish dancing girl. In this
role he is one of the funniest charac-
ters that ever appeared on the stage.

Thursday night closes the engagement
here and he will appear each evening
in a change of program.

HOW TO HAVE A GOOD COLOR

Beauty—real beauty—is more than
skin deep. No cosmetic in the world
can give the wholesome color, the
bright eyes, the clear transparent
skin that is the natural result of pure
blood, proper diet and hygienic habits
of daily life.

It sounds easy and it is easy for a
woman to have the beauty which
health alone can give. A safe and
efficient tonic if the blood is weak,
thin or impure (Dr. Williams' Pink
Pills for Pale People are especially
recommended), the avoidance of foods
which will cause eruptions, and regu-
lar bathing of the skin. That is all
and it is the only way. Most women
will be interested in the following
statement:

Mrs. P. D. Sowers, of No. 308 East
2nd street, Muscatine, Iowa, says:
"I am glad of the opportunity to
praise Dr. Williams' Pink Pills for
through their use my life was spared.
When I was eighteen years old I be-
came pale and weak. I was drowsy
and could not hold my head up. I was
dizzy and tired. I didn't care for any-
thing and talked only when spoken to.
My heart was very weak and
whenever I exerted any strength I be-
came sick at the stomach. I had a
fluttering of the heart and would get
so dizzy that I could not stand. I was
pale and became so weak that I had
that time and although the doctors
to leave school. I grew worse all of
changed my medicine every time they
came, they were unable to help me. I
had been under the doctors' care for
eleven long months and they told my
parents that they feared I was going
into consumption. It was at this time,
a friend persuaded me to give up the
doctors' medicine and try Dr. Will-
iams' Pink Pills.

"I can hardly describe the great
change for the better that soon came
over me. My appetite picked up and
my eyes became so much brighter. I
became healthier in every way, had a
good, clear color and soon felt entirely
well. There never were happier people
than we. I am always watching for a
chance to recommend Dr. Williams'
Pink Pills.

Write to the Dr. Williams Medicine
Co., Box 176, Schenectady, N. Y., for
a free booklet, "Plain Talks to Wo-
men." It should be read by every
woman and growing girl. A free sample
of the new laxative "Pinkets" will
also be sent you. Should you be un-
able to obtain Dr. Williams' Pink Pills
for Pale People in your locality they
will be sent, postpaid, on receipt of
price, fifty cents per box; six boxes
for \$2.50.

REGULATIONS GOVERNING THE
DISCHARGE OF NITRATE OF
SODA, SULPHUR AND OTHER
SIMILAR MATERIALS UPON THE
WHARVES OF THE TERRITORY
OF HAWAII, AS AMENDED AUG-
UST 28, 1912.

21. No nitrate of soda, sulphur, or
other similar materials shall be stor-
ed, awaiting transportation, upon any
wharf within the Territory of Hawaii,
unless the same be packed in sound
and non-leaky containers. All nitrate
of soda, sulphur or other similar ma-
terials so stored shall, at the expense
of the consignee, be under the con-
tinuous care of a competent watchman
until removed.

Masters, owners and consignees of
nitrate of soda cargoes, sulphur or
other similar materials must keep the
wharf at all times swept clean and
free of any loose nitrate of soda, sul-
phur or other similar materials during
the entire process of unloading and
removing the cargo. No loose nitrate
of soda, sulphur or other similar ma-
terials will be permitted to be landed.
In all cases nitrate of soda, sulphur
or other similar materials must be
landed from ships in sound containers.
During the process of discharging
or removing said cargoes, it shall be
obligatory on the part of the ship or
agents of said vessel, to provide water
containers of not less than fifty (50)
gallons each at intervals of not less
than fifty (50) feet apart with suit-
able buckets placed alongside each
container; said containers to be filled
with a solution of water and nitrate
of soda to be used in the case of fire.

Any person or persons who shall
violate the above Regulation shall be
guilty of a misdemeanor and shall be
subject to the penalties as provided
by Section 9, Act 143 of the Session
Laws of 1911.
